
HOUSE RULES

Absolutely no outside food or drinks. We promise to make better ones! Make friends here - please silence your phone. Proper attire requested: tank tops, cut-offs, sandals and flip-flops are strongly discouraged.

Now that you are present and looking sharp, act like the lady or gent you are: no shouting or other obnoxious behavior. No bombs, no shots, no budweiser, sorry. Tables are first come, first serve. Please save larger tables for larger groups. No moving tables. If you insist on smoking, please do so in the lane. A lot of thought has gone into curating Artillery and there is a lot to learn so ask some questions while you are here! Finally, it's our house: dress code and rules enforced at the discretion of staff - we reserve the right to refuse service. Please enjoy!

* For your convenience: call buttons have been placed behind tables. For service, simply click the button and watch for the light to come on next to the wine cellar door. A server will appear to assist you. To provide privacy staff will not disturb you unless called for. Please do not abuse this convenience. Can't get a table? No problem, cocktail servers will assist guests seated at areas without call buttons.

Derived from the Georgia Hussar's colorful military history and erected in 1896 on the lot that occupies the eastern half of lots 3, 4, and 5 of Jasper Ward behind the Fay House, Artillery gives subtle references to the history of the site; from details inspired by the volunteer militia group of mounted rangers that built it to the many retailers and businesses that occupied the building over the course of the past century. Artillery is located where the Georgia Hussars' armory once housed the cavalry's artillery.
